Operating System Lab

Assessment -5

List of Programs   Last Date: 26-05-2021

1. Write a program to implement the first fit, best fit, and worst fit algorithm for memory allocation.
2. Write a program to implement the page replacement algorithms.
   a. FIFO
   b. LRU
   c. OPTIMAL
3. Implement the following algorithms to perform file allocation.
   a. Sequential
   b. Linked
   c. Indexed
